

The Cricket Live Foundation
Cricket Live Day
November 7th, 2015

Giving kids the childhood they deserve.

A bit about us.

The Cricket Live Foundation is a New Zealand based charitable organisation. Our objective is to bring cricket to the kids of Sri Lanka and India who currently live in underprivileged environments with limited opportunity. To make any social or global change, you need a vehicle to drive that particular change. Our vehicle is Cricket.

The Cricket Live Foundation prides itself on using cricket as a medium for developing the life skills of underprivileged kids in South Asia.

Using sport, we can provide the children with direction in their

lives, opportunities to further themselves, and most of all, provide them with a pathway for their futures.

We currently operate four centres in Sri Lanka in partnership with the MJF Foundation, an internally funded Charitable Foundation of Dilmah Tea. The centres work with 300 children, from the Moratuwa and Siyambalanduwa areas. All centres are run by local staff and coaches.

It is our goal to establish a network of our Cricket Education and Development Centres throughout South Asia and eventually take it world wide.

The Cricket Live Day.

We are very fortunate to be able to have easy access to playing the game we all love.

The Cricket Live Foundation works with those who aren't so fortunate. Not only do they not have the opportunities to play sport like we have here in New Zealand, but their lives are riddled with hardship and poverty.

With this in mind, we wanted to be able to join together as a cricketing community to assist the children and families that we work with in Sri Lanka and use our great game to make a difference

in other peoples lives.

The 'Cricket Live Day 2015' (CLD2015) will be run on the 7th November at Burnside Park. The Day will see all eight Premier Grade Teams playing at the same ground. The day will be supported by match day sponsors.

There will be hospitality outlets present throughout the day as well as entertainment, music and a MOA Beer Tent open from 14h00. Our entertainment in the afternoon will be organised by More FM.
